Step 1: Create New Customer

The screenshot shows the SAP Manage Business Partner interface. The top navigation bar includes the SAP logo and the title "Manage Business Partner". Below the navigation bar, there are search filters for "Editing Status", "Role", "Business Partner", "Last Name/Name1", and "First Name/Name2". A "Go" button and "Adapt Filters" link are also present. The main section displays a table titled "Business Partners" with columns for "Business Partner", "City", and "Postal Code". A "Create" button is visible, with a dropdown menu showing "Person" and "Organization" options. The table is currently empty, with a message "To start, set the relevant filters."

The screenshot shows the SAP Manage Business Partner interface with the "Create Organization" dialog box open. The dialog box is divided into two main sections: "General Data" and "Standard Address".
